

Nimbus Support Hours

Standard support (Starter and Team plans) is available Monday through Friday, 9am to 6pm US Eastern Time, via email with a target first response time of 24 business hours.

Enterprise plans include 24/7 phone and chat support with a target first response time of 1 hour for critical (Sev-1) issues.

Planned maintenance windows are announced at least 5 business days in advance via the status page and email, and are scheduled outside of 9am-6pm ET on weekdays whenever possible.
